

# The Great North Arrow

Written by Our People...For Our People...est. 2010

## Writers Bio: Michelle Budiwski

Michelle Budiwski is a passionate advocate for social change, lifelong learning, and community empowerment. With over 25 years of experience in business, education, and advocacy, she uses her voice to inspire action and foster equity and inclusion.

Currently navigating her personal journey with stage 3 rectal cancer, Michelle shares her experiences and insights through writing, radio, and podcasts, focusing on resilience, education, and addressing social issues. Her work emphasizes the importance of accessible learning opportunities and creating a more inclusive and supportive society for all.

Michelle's mission is to empower individuals, spark meaningful conversations, and drive positive change in communities.
